**The Sunday Philosophy Club (Sunday Philosophy Club : 1)**

Amateur sleuth Isabel Dalhousie is a philosopher who also uses her training to solve unusual mysteries. Isabel is Editor of the Review of Applied Ethics - which addresses such questions as 'Truth telling in sexual relationships' - and she also hosts The Sunday Philosophy Club at her house in Edinburgh. Behind the city's Georgian facades its moral compasses are spinning with greed, dishonesty and murderous intent. Instinct tells Isabel that the young man who tumbled to his death in front of her eyes at a concert in the Usher Hall didn't fall. He was pushed.

**Espresso Tales (44 Scotland Street : 2)**

Bruce, the intolerably vain and perpetually deluded ex-surveyor, is about to embark on a new career as a wine merchant, while his long-suffering flatmate Pat MacGregor, set up by matchmaking Domenica Macdonald, finds herself invited to a nudist picnic in Moray Place in the pursuit of true love. Prodigious six-year-old Bertie Pollock wants a boy's life of fishing and rugby, not yoga and pink dungarees, and he plots rebellion against his bossy, crusading mother Irene and his psychotherapist Dr Fairbairn. But when Bertie's longed-for trip to Glasgow with his ineffectual father Stuart ends with Bertie taking money off legendary Glasgow hard man Lard O'Connor at cards, it looks as though Bertie should have been more careful what he wished for. And all the time it appears that both Irene Pollock and Dr Fairbairn are engaged in a struggle with dark secrets and unconscious urges of their own.

**The Importance Of Being Seven (44 Scotland Street : 6)**

Despite inhabiting a great city renowned for its impeccable restraint, the extended family of 44 Scotland Street is trembling on the brink of reckless self-indulgence. Matthew and Elspeth receive startling - and expensive - news on a visit to the Infirmary, Angus and Domenica are contemplating an Italian ménage a trois, and even Big Lou is overheard discussing cosmetic surgery. But when Bertie Pollock - six years old and impatient to be seven - mislays his meddling mother Irene one afternoon, a valuable lesson is learned: that wish-fulfilment is a dangerous business.

**Doyle, Arthur Conan**

**The Best of Sherlock Holmes**

The Best of Sherlock Holmes is a collection of twenty of the very best tales from Sir Arthur Conan Doyle's fifty-six short stories featuring the arch sleuth. Basing his selection around the author's own twelve personal favourites, David Stuart Davies has added a further eight sparkling stories to Conan Doyle's 'Baker Street Dozen', creating a unique volume which distils the pure essence of the world's most famous detective.
