PELÍCULAS

Érase una vez en... Hollywood = Once upon a time in... Hollywood

Tarantino, Quentin

The film will focus on a shifting Hollywood landscape in the late 1960s, as the industry was starting to forget about its classic mainstays. A fictional aging TV Western star named Rick Dalton (DiCaprio) attempts to come to grips with these changes alongside his equally fictitious stunt double (Pitt). However, everything in Dalton's life seems to link back to his Hollywood roots: he is the neighbor of actress and model Sharon Tate (Robbie), who ends up falling victim to the Manson Family during their horrendous killing spree in August 1969.
