Soulbound Saga 1 : Dragon rider – Taran Matharu

Jai lives as a royal hostage in the Sabine Court—ever since his father Rohan, leader of the Steppefolk, led a failed rebellion and was executed by the very emperor Jai now serves. When the emperor's son and heir is betrothed to Princess Erica of the neighboring Dansk Kingdom, she brings with her a dowry: dragons. Endemic to the northern nation, these powerful beasts come in several forms, but mystery surrounds them. Only Dansk royalty know the secret to soulbonding with these dangerous beasts to draw on their power and strength. This marriage—and the alliance that forms—will change that forever.
